**IMPORTANT NOTICE REGARDING REVISED RESULT OF MBBS STAGE – II**

**(CET CODE 103)**

1. GGSIP University has conducted CET Stage-II on 23/05/2015 and the result of the same was declared on 27/05/2015. Before declaration of the results certain representations with respect to errors in the question paper were received from the candidates who have appeared for the MBBS CET Stage II and the observers deputed by the university had also reported errors brought to their notice. As per the extant policy the questions in relation to which errors in the nature of missing data/typographical errors were neutralized by deleting the erroneous questions for the purpose of evaluation and all the examinees were compensated by awarding full marks allotted to each question deleted. Five such questions were identified and 15 marks ( $5 \times 3 = 15$ ) were awarded to all the candidates. Accordingly the results of MBBS Stage-II held on 23/05/2015 were prepared and declared on 27/05/2015.
2. Consequent to the declaration of result, certain applications were received for inspection of OMR answer sheets. All the applications were considered as per the extant regulations and the applicants were allowed to inspect their OMR answer sheet along with the relevant question booklet and corresponding answer key. During the course of inspection some of the applicant candidates have expressed their doubts over the answers to some questions, particularly in Chemistry part, in the answer key and requested for review of answer keys.
3. The matter was referred to a committee of experts to comprehensively examine the test booklet series and respective answer keys in the light of doubts/concerns expressed by the applicant candidates. The committee has examined and gave its findings and recommendations. The crux of the same are as below:
  - a. Dropping of Five (05) questions – **Three (03)** questions from **Physics** section and **Two (02)** questions from **Chemistry** section – while preparing the result declared on 27/05/2015 is appropriate. In addition to the above, **Two (02)** more questions- one each from **Physics** and **Chemistry** sections-

have incomplete data/typographical error and the same should be dropped and full marks are to be awarded.

- b. **Answers to Eleven (11)** questions of **Chemistry** section indicated in the answer keys of **all series (A,B,C,D)** used for evaluation are incorrect but there are no errors in those questions.
  - c. **Answer to One(01)** question in **Zoology** section indicated in the answer key of **“A” series** used for evaluation is incorrect but the answers to the same question in the answer key of other series (B, C, D) are correct.
4. Keeping in view the committee's findings and recommendations the following measures are taken for re-evaluation:
- a. All Seven (07) questions identified by the committee are deleted and 21 marks ( $7 \times 3=21$ ) are awarded to all the candidates who appeared for the MBBS CET Stage-II.
  - b. Answers to Eleven (11) questions of Chemistry section identified as incorrect are rectified by replacing with correct answers and corrected answer keys are used for re-evaluation.
  - c. Answer to One (01) question of Zoology section identified as incorrect in the answer key of “A” series is rectified by replacing with the correct answer and corrected answer key is used for re-evaluation. No correction is effected in the answer key of B, C & D series for Zoology section.
5. **The result of MBBS Stage-II CET held on 23/05/2015 and declared on 27/05/2015 is thus revised on the basis of re-evaluation as mentioned above. The same may be accessed on the University website [www.ipu.ac.in](http://www.ipu.ac.in)**
